Thanks! I just sent you an email to confirm your subscription to my newsletter. I send out summaries of the best books I'm reading like Grit, Power of Habit, and more. There are now about 5,000 subscribers who want to get smarter, faster.

If you like my summary of Grit, I think you'll like getting any future book summaries I write.

It's completely optional to subscribe, but if this sounds interesting to you, **just check your inbox for the confirmation email and click to complete your subscription.**
